Popular Local Areas

Gordon and Jane have travelled thousands of miles searching for the best views and finding the great weather to bring you the best of your local areas.

They have an intimate knowledge of local tourist trails and a passion for promoting the UK.

Photography and design by Gordon Flavell, a native Scot, who has worked with promotional print for over 25 years.

Specialising in the tourist and craft sectors, his company, Flavell produces the largest range of printed tartan notebooks and gift wrap in the UK.

The company is unique in undertaking the Photography, Design, Layout, Printing, Finishing, Packing and Distribution from their factory at Grangemouth near Falkirk in the heart of Central Scotland.

They have an ever expanding range of images available in new areas which can be printed on their most popular gift stationery products.

Our unique products are available from gift shops and tourist outlets throughout the UK and Scottish shops in Canada, the USA, New Zealand and Europe.
