## Just follow these eight simple steps to place your order

Please enclose a compliments slip, letterhead or business card with your order. We care about your order and want you to be delighted with your cards, therefore we may contact you if we have any queries.

Dear Friend,

Christmas time is an excellent time in the year to keep in touch with your family, friends and everyone important to your business.... your customers, your suppliers, your colleagues and your team members.

This year make a dramatic impact and send them all the right message by combining your seasonal greetings with superb images from Scotland.

Your cards can be customised with a message, logo and signature.

Alternatively choose one of our standard messages. If you prefer we can also provide you with blank cards to allow you to hand write your own message.

Remember to let everyone know about your website and where to visit it.

At Flavell & Co, we believe that the quality of the seasonal cards you send reflects the quality of your business. That is why we have chosen to produce our cards this year on quality, environmentally friendly 350gm graphic board produced from managed forests. All your cards are created and supplied flat just ready for you to sign and fold. Good quality white envelopes suitable for the new postal requirements are supplied to enhance your cards.

I look forward to being of service.

Gordon Flavell
